

Jesus,
Please make me
GUTSY and Gentle

GUTSY, so I can bring justice to a fallen world.

Gentle, so I can give mercy to the fallen.

GUTSY, because I know you have my back.

Gentle, because I know you have my heart.

GUTSY, to stand against what the world
tells me I need to be, and

Gentle, so I can be at peace with who you say I am.

Lord, make me **GUTSY** and Gentle,
so that I can be before all things godly.
